EDUCATION

DevPoint Labs, Salt Lake City, UT - *Student* - **FEBRUARY 2016 - APRIL 2016**

- Completed a boot camp at DevPoint Labs. While I was at DevPoint Labs I learned how to solve tasks, to think and to learn as a software developer, I also showcased my acquired skills with a team to build, belcher.herokuapp.com, our capstone project of the course

Utah State University, Brigham City, UT - *Student* -   **AUGUST 2013 - DECEMBER 2013**

- Completed one quarter before the mission.

Box Elder High School, Brigham City, UT - *Student* - **2010 - 2013**

- 87th percentile on ACT
- Graduated 2013 with 3.7 GPA

EXPERIENCE

Utah Onion, Corrine, UT - *Laborer* - **JANUARY 2016 - FEBRUARY 2016**

- Helped a team of workers to raise efficiency, and speed of production
- Worked at a rapid pace to meet tight deadlines.

Church of Jesus Christ of Latter Day Saints, Colombia – *Missionary* -   **JANUARY 2014 - DECEMBER 2015**

- Led a group of six missionaries, conducted weekly training meetings, followed up on goals, and sent weekly progress reports to the president
- Increased missionary effectiveness by providing training in individual communication, problem solving, and working strategy skills

Subway, Brigham City, UT - *Sandwich Artist* - **MARCH 2013 - DECEMBER 2013**

- Prepared all foods according to Safety Standards, and kept inventory
- Worked as a team to fulfill customers orders

ACCOMPLISHMENTS

Hackathon Winner at DevPoint Labs -- https://github.com/trentonsnyder/brick_and_morty

- We built a small app of small business tools in one day. I was in charge of using React, AJAX, and Ruby to make API calls to google to create a shipment cost and time estimator.

Top Ten in a National Poetry Contest
